Headline:  
Bright with some warm sunshine.

Today:  
It will be another bright day with some warm sunshine. The sunshine will be hazy at times with thicker cloud possible in the west. Cooler on the County Down coast due to an onshore wind. Maximum temperature 22 deg C (72 deg F).

Tonight:  
A fine end to the day with some sunshine then clear skies at times overnight. A few shallow mist and fog patches possible around dawn. Minimum temperature 8 deg C (46 deg F).

Wednesday:  
Bright with some good spells of sunshine. Warm again, highest temperatures around the north coast. However, some showery outbreaks of rain are possible later in the day. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:  
A few showery bursts of rain on Thursday, but mainly dry and bright. Mostly cloudy with rain or showers on Friday. Bright with a scattering of showers on Saturday.
